

Ninjas Don't Believe in God

139 3 11

Chapter 1 by SaintSayaka

Ninjas are supposed to answer to their higher authorities. Rationally, there is no place in our lives, which demand total obedience, for religion. But as I am about to enter the threshold of the Komagatas, I cannot help myself. I sit in front of their daughter's house - carefully enshrouded in a bush - and pray. Nobody sees me. That is the point.

My master will not forgive me when I walk into my funeral. Not like God will.

Chapter 2 by Jess Ash

By all accounts, I am dead. A good death, they say. A noble death. A death that has honored my clan.

What they don't know, of course, is that:

1. I'm not actually dead
2. Even if I was, it wouldn't be a noble death
3. Especially if I was, I'd have been murdered by someone in my own clan, so there would be no honor there

Now, normally I wouldn't just wait in like this. I'd wait, plan, and come back when I was certain of success. But this is personal. I need to make sure the killer actually succeed with their next target.

The good news is that I'll have the element of surprise, being supposedly dead and all.

The bad news is that I'll have the entire clan against me for accusing the leader of being a traitor.
